*What is the one piece of
advice you wished you could
give your younger self?*

Hello!

Have you ever received a letter or note that helped you in ways you couldn't explain? Like words from a wise friend or an iconic movie line. We think the world could do with some more positive words so we would love to hear yours!

So write it down - keep a copy for yourself to reflect on too - but pass it onto a neighbour, a person waiting in line or in a stranger's mailbox. Because it may just change their life!

Best Regards
